### **Tires Covered**

This Limited Warranty covers original tread Firestone-brand radial agricultural tires purchased or manufactured after January 1, 2010, (except tires made for or used in pulling contests) being used in normal agricultural service as specified in this Limited Warranty. It does not cover tires marked "NO ADJ" or "NA" (non-adjustable), or tires not containing the Firestone serial number. Tires branded DT (damaged tire) are not adjustable for appearance. Tires are adjustable for ride-related conditions only during the first six months of service and up to 1/32 of an inch of treadwear.

### **What Is Warranted**

If, before wearing down to 2/32nds of an inch of tread or bar depth remaining, any tire covered by this Limited Warranty as shown on examination by Bridgestone has become unfit for the use for which it was designed due to a manufacturing defect in workmanship or material, such tire will be replaced with an equivalent new Firestone tire on the basis set forth in the section titled "Limited Warranty Period and Pro Rata Percentages" below. Some examples of causes or conditions normally beyond the manufacturer's control and which are therefore not covered by this Limited Warranty are:

1. Field or road hazards or stubble damage (e.g. cut, snag, puncture, stubble damage, impact break, tear or chunk in tread, bar or shoulder);
2. Apparent overload or improper inflation pressure or abuse;

3. Wheel misalignment, rim slip, tire/wheel assembly imbalance, mismatching of adjacent tires, or other vehicle conditions, defects or characteristics;
4. Conditions caused by land-leveling or earthmoving operations;
5. Improper repair or improper insertion of sealant, balancing, or filler materials;
6. Intentional alteration of either the appearance or the physical characteristics of the tire;
7. Mounting damage or conditions caused by aging or improper storage; and
8. Failure to observe any of the "Owner-User's Obligations" items listed elsewhere in this publication.

This Limited Warranty is in addition to, and/or may be limited by, any other applicable written warranty (covering special tires or situations) you may have received. Subject to the foregoing, to the extent permitted by applicable law, no other representations, warranties or conditions, whether express or implied, legal, statutory or otherwise, including warranties or conditions of merchantability, durability and fitness for a particular purpose, shall apply to the tires.

### **Limited Warranty Period And Pro Rata Percentages**

During the first two years of service (proof-of-purchase must be attached to claim form), if the tire is worn less than 25%, the tire will be replaced without charge including normal mounting and service charges.

After the free replacement period, the replacement price will be prorated based on years of service from the original purchase date (proof-of-purchase must be attached to claim form, or if proof-of-purchase is not available or if tire was not purchased new, then based on years from date of manufacture, which is molded into the sidewall of the tire) as follows:

<b>Years of Service or Age During</b>	<b>If Worn Less Than</b>	<b>Pro Rata Collection</b>
3rd Year	30%	30%
4th Year	40%	40%
5th Year	50%	50%
6th Year	60%	60%
7th Year	70%	70%
8th Year	80%	80%
9th Year	90%	90%
After the end of the 9th Year, coverage expires.		100%

To determine the replacement price, the appropriate pro rata percentage is multiplied by the Firestone owner-user's regular buying price. Appropriate taxes, mounting, or other service charges will be added to the replacement price.

### **Conditions and Exclusions**

TO THE EXTENT PERMITTED BY LAW, BRIDGESTONE CANADA INC. DISCLAIMS LIABILITY FOR ANY INDIRECT, GENERAL, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, LOSS OF TIME OR PROFITS, LOSS OF VEHICLE USE, OR INCONVENIENCE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

Only the actual owner-user of the covered tires may make an adjustment claim under this Limited Warranty and only for tires used in Canada. Nothing in this Limited Warranty is intended to be a representation that failures cannot occur.

## Owner-User's Obligations

The owner-user's obligations are to operate tires within tire load and speed limits (at cold air pressures specified by Bridgestone Canada Inc. for load and speed according to individual tire size, type, and load capacity) and to maintain proper alignment of wheels.

In case of an adjustment claim, the owner-user must present the tire to an authorized Firestone dealer or store, complete and sign the customer section of the adjustment claim form, attach to the claim form a copy of the proof-of-purchase showing the date the tire was purchased new or proof-of-purchase of the new agricultural equipment that the tire came on, and pay the appropriate replacement price, taxes and service charges for a new, current equivalent Firestone-brand tire.

The obligation of Bridgestone Canada Inc. under this Commercial Limited Warranty may not be enlarged or altered by anyone.

## STUBBLE DAMAGE LIMITED WARRANTY
